The Secrets to Growing Your Facebook Group

Secret Number 1

1. Get in touch with your creative side and create a freebie with value:

- A PDF
- An E-Book
- A webinar

2. Create a link for your Freebie and then:

- Begin to share in groups
- Create amazing hype
- Post inspirational posts connecting to the freebie

- Look out for 'promotional days'

Remember - Your freebie does not need to be perfect just valuable! Something that your ideal client wants - This is why your ideal client research is vital!

Secret Number 2

1. Post within other groups STRATEGICALLY:

- Introduce yourself
- Post polls and engage with the comments
- Create your top 5 secret tips and announce in groups
- Comment and help within groups
- Inspire/post motivation within groups
- Stand as the expert
- Create a mini challenge and announce in groups
- This is what you call attraction marketing - You are attracting your ideal clients to you

Be Creative - If you want to stand out, step out of the box!! Keep learning the newest tools and the latest skills needed to wow your followers.

Secret Number 3

Check out other groups ask if they would like to collaborate and show up as the expert!
