

How Sales Are Related to Wealth Consciousness Factsheet

1. When we have a morning routine, it gives us a strong foundation to base the rest of the day upon.
2. Meditation gives us perspective, and along with affirmations, allows us to feel positive about money.
3. Meditation and reflection allow us to open our minds to the world around us and become open to new sales opportunities.
4. When we change our mindset about what wealth is and how we access it, we change the way we sell.
5. Journaling helps us to stay on track and makes us grateful for the sales and opportunities we have received.
6. Staying true to ourselves and focusing on our purpose, means we sell from the heart and not from the head.
