

Supporting your business to shine

Consultant Information Pack

What is a Virtual Assistant?

A virtual assistant is a self-employed administrative or personal assistant who works remotely (usually at home) for various clients. When most people hear “virtual assistant,” they assume it’s a secretary who works from home.

But the field has exploded into a variety of skill sets that could be valuable to various professionals. These days, a virtual assistant is someone a lot of busy professionals just can’t do without.

Glow Virtual Assistants offers you the opportunity to be a self-employed consultant working under our award winning and trusted brand.

About Glow Virtual Assistants

You don’t need to be able to do everything listed above, it is a great opportunity for you to showcase your area of expertise!

How does the Consultant role work?

Becoming a Consultant with Glow Virtual Assistants will give you the freedom to work the hours that suit you. Full-time, Part-time, Evenings or Weekends as much or as little as you like.

You will be responsible for sourcing most of your work and building up your clients list through Glow Virtual Assistants. This can be done by attending Networking Meetings and through social media using Business groups and pages to connect with other businesses.

While working as a Glow Virtual Assistants Consultant you will have use of:

- The Glow Virtual Assistants established and reputable brand
- Business cards and fliers
- Your own area on the website
- Your own personalised Glow Virtual Assistants email address
- An abundance of useful information, templates and documents
- Ongoing support (available at the company's discretion)

You will be responsible for the following:

- You must have your own public liability and professional indemnity insurances in place (Proof of this must provide to the office)
- Use your own vehicle for business purposes
- Complete your own tax return
- Claim your own expenses directly from HMRC

What can you expect to earn?

You will also receive generous payment rates:

Work Sourced by	Consultant will receive
Glow Virtual Assistants Consultant	75% of invoiced amount
Glow Virtual Assistants	30% of invoiced amount

Glow Virtual Assistants have an hourly charge of £25 per hour for clients unless a package is put together in some cases for example – Website Designs. This means that by sourcing your

own work you can earn up to £18 per hour and £7.50 per hour for work provided by Glow Virtual Assistants.

You can also boost your earnings with our referral scheme - earning 10% of a new client's first invoice. If you connect with someone that needs a VA and you cannot carry out the work either because you are not wanting the extra hours or it is outside of your skill set, you can pass it to our CEO to contact and reallocate to one of our consultants that can take it on.

Are there any costs involved in becoming a Glow Virtual Assistant Consultant?

There is an initial start-up fee of £199.00 payable on signing the Consultants agreement and is non-fundable.

This covers the set-up of your website page, email address, business cards, leaflets and initial start-up support.
